GRADUATE  
= 2023 =

Our babies are all grown up! On Friday December 1st we had the best graduation celebration. We saw Teacher Billy's 2023 senior class, Rashid, Lillian and Annah dance their way to their graduation ceremony! Our teachers, kids and parents put on an excellent end of the year celebration. We wish these 3 all the very best in their next new adventures and we hope they always continue to come home. x

**A BIG THANK YOU TO EVERYONE WHO DONATED AND MADE A DIFFERENCE TO HELP END PERIOD POVERTY!**

Our reusable pad campaign was a huge success and we raised a whopping \$620!! That means that we were able to provide 62 girls in rural areas with 10 reusable pads each! Girls will be able to be free to go to school and life has just become a whole lot easier. Thank you to everyone who reached out and supported us. Our longterm goal is to help 10 schools in the village so stay tuned for our next campaign!

"I never thought that my child would be able to read and speak English and I thought that she wouldn't be able to cope with school, but then I saw a lot of change and improvement in her and that gave me a lot of courage and hope. Now Lillian can write, read and express herself in English with out any difficulty and I am very grateful to the hark work of the teachers for the big transformation in Lillian's schooling at Baobuyu." Euphemia, the mother to Lillian

We are also looking for **sponsors for our 2024 school year!** Sponsorship costs \$450 US a year and covers everything that your sponsored child will need for the year. Books, a uniform, a nutritious meal and an excellent education. Throughout the year, we will send you photos and updates about your child and you can be assured that 100% of your sponsorship fee goes into the school. If you would like more information, you can go to our website or send an **email to [baobuyulearningcenter@yahoo.com](mailto:baobuyulearningcenter@yahoo.com)**

We are Growing!

There has been so much activity happening at the school! Each year we have one focal project that we dedicate ourselves to for Baobuyu to grow! This year, we give huge thanks to Joost van den Vondelschool in The Netherlands for their HUGE donation from their sponsor run. We not only were able to enhance our kitchen with everything you could imagine to make cooking for 50 people everyday easier, but we also were able to build the Women's Sewing Circle a brand spanking new workshop! Currently the women have been doing all their work in the open aired insaka, so with rainy season on its way, it certainly is a luxury and necessity to have walls and a roof now over their heads. Thank you so much to Elsbeth for initiating this project and your most generous hearts.

Happy Holidays Everyone!

"THIS WORLD WILL NOT BE A GOOD PLACE FOR ANY OF US TO LIVE IN UNLESS WE MAKE IT A GOOD PLACE FOR ALL OF US TO LIVE IN."

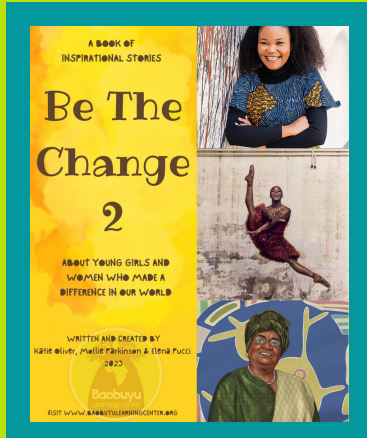

WISHING EVERYONE A VERY HAPPY HOLIDAY SEASON!

Be The Change 2!

Be The Change part 1 is a book about inspirational young women who made a difference in the world, created by our interns in 2021. We use this book to encourage our female empowerment clubs and anyone who will listen, as they too could also make a change in the world no matter what their circumstances are.

We believe that this book has greatly influenced our girls to become whoever they aspire to be.

We are so proud to announce that Be The Change 2 has been completed! A huge thanks to our interns Elena, Molly and Katie for making this happen! If you would like to check out the full book, please go to our website at [www.baobuyulearningcenter.org](http://www.baobuyulearningcenter.org)
