## Happy Independence Day

Celebrating 60 years of Independence!!! October 24th!

# Workshop

Our electricity situation has been more than grim this month to say the least. Some days we have electricity for 3 hours, some days we don't have it at all.

Laura likes to turn limes into margaritas and saw that this was the perfect opportunity to teach our women business skills. So for the past 6 weeks, Laura has launched an "All About Business" workshop for our Women's Sewing Circle.

Her insight on business strategies and empowerment have really inspired us all to elevate our skills and knowledge. We are incredibly grateful for her time and expertise. Let's build a better future together!

# HAPPY Halloween

Even Woofie is taking part in the Halloween fun! We wish you all a Spook-Tackular Hawl-o-Ween filled with treats and thrills. We'd love to see how you celebrated, so don't forget to share your festive photos with us!

## Pad Campaign Update!

We are over the moon to share that our PAD Campaign has raised an impressive \$1,460 so far, enabling us to create reusable pads for girls in rural villages. That means we're providing a total of 1,460 pads to be distributed! This week, we had the wonderful opportunity to visit Simango Primary School, where we connected with some amazing 8th and 9th graders. Together, we distributed reusable pads to 48 girls and engaged in important conversations about menstruation. The joy and gratitude on the girls' faces was truly inspiring! Our campaign is ongoing, we aim to reach \$2,500. We invite everyone to join this meaningful cause and help make a difference in these girls' lives. A heartfelt thank you to our generous contributors: Sharon Rose, Virpi, Annemaria, Brigid, Elizabeth, Lana, Joleen, Cloe, Laura, E'lisha, Chandra, Alexandre, Ariane, Janet, Robert, and Sandra. Your support is making a significant impact! Let's continue this momentum and empower even more girls together! Go to <https://gofund.me/90f24367>.

Thank you

A huge shout out to Whitney, Carter, Kai, and all of our friends at **Headwaters Academy** in Bozeman, Montana! Thank you so much for your incredibly generous donation to our school! Your support will allow us to provide nutritious meals for 70 children and teachers for an entire month. We are truly grateful for your kindness and we can't thank you enough!

*A period should end a sentence, not a girl's education*
